APPENDIX U

Local Law No. 19 – 2003

A LOCAL LAW TO PROHIBIT THE USE OF COUNTY RESOURCES TO INTERFERE
WITH COLLECTIVE BARGAINING ACTIVITIES OF UNIONS IN NASSAU COUNTY.

BE IT ENACTED by the Nassau County Legislature as follows:

The Miscellaneous Laws of Nassau County are amended by adding a new title to read as follows:

Title 56

COLLECTIVE BARGAINING ACTIVITIES OF UNIONS IN NASSAU COUNTY

§ 1. Legislative Intent.

This Legislature hereby finds and determines that funds appropriated by the County Legislature for the purchase of necessary goods and services should ultimately be expended solely for the purpose for which they were appropriated and should not be used to deter, or promote union organizing.

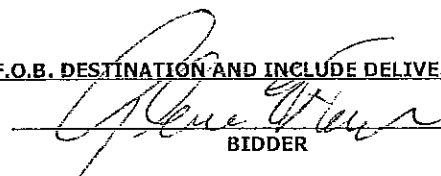

This Legislature also finds that the use of County funds and property to assist, deter or promote union organizing causes conflicts and work interruptions which waste scarce County resources on issues of secondary importance.

This Legislature further finds and determines that where the County expends significant resources for the purchase of goods or the delivery of needed human services, the County's financial interests is advanced by the promotion of non-confrontational procedures which limit the economic and social disruptions associated with collective bargaining disputes. This Legislature also determines that the State of New York has recently enacted amendments to the New York Finance Law to restrict the use of State funds in assisting, deterring or promoting union organizing.

Therefore, the purpose of this law is to protect the County's financial interests in connection with its commitment of economic resources by prohibiting funding of certain forms of labor/management conflict and is not intended to provide an advantage to either labor or management during the conduct of union organization campaigns, nor to express any generally applicable policy regarding labor/management relations.
